Plan View

Only the boundary adjacent to Smiths Loke will be changed.
 New boundary to Smiths Loke will be made from a 0.5m high masonry wall following the loke surface with alternately boarded timber section above.
 The fence height will be 2m at the left (same as existing fence) and will decrease to 1.2m by the front porch. Remaining fence will be 1.2m high.
 Timber gates will close off the drive.
